

# Math at Home

Dear Family,

My class is starting Unit 5, **Place Value to 100**. I will learn about numbers to 100, place value, skip counting, and comparing numbers. You can help me learn these vocabulary words, and we can do the Math Activity together.

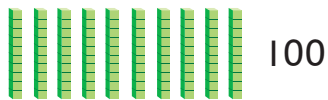

From,

---

## Vocabulary

**one hundred**

**skip count** Counting by adding the same number over and over.

This shows **skip counting** by 5s.

**greater than, less than, equal to** Words to compare numbers.

**Education Place**

- Math at Home in other languages

## Family Math Activity

When you are riding in the car, help your child find a sign that shows a 2-digit number. Have your child read the number and then identify the digit that tells how many tens and the digit that tells how many ones.

## Literature

These books link to the math in this unit. Look for them at the library.

- **Count and See**  
by Tana Hoban  
(MacMillan Publishing, 1972)
- **One Watermelon Seed**  
by Celia Barker Lottridge  
Illustrated by Karen Patkau
- **Ten Times Better**  
by Richard Michelson  
Illustrated by Leonard Baskin
