

# Math at Home

## Dear Family,

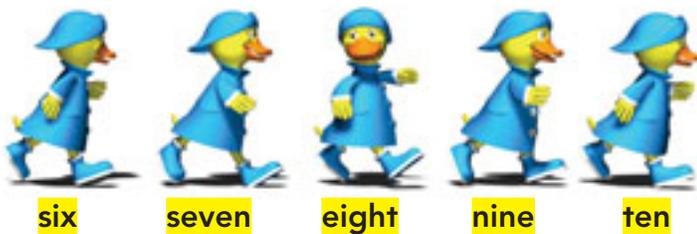

My class is starting Unit 4, **Numbers Through 10**. I will be learning how to count, read, and write the numbers 6 through 10. I will also be learning how to name, order, and compare numbers through 10. You can help me learn these vocabulary words, and we can do the Math Activity together.

From,

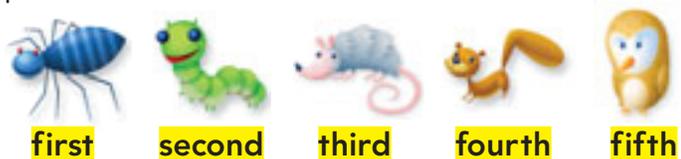

---

## Vocabulary

**ordinal numbers** Numbers used to describe position or order

### Education Place

- Visit [www.eduplace.com/camaf/](http://www.eduplace.com/camaf/) for
- eGames and Brain Teasers
  - Math at Home in other languages

## Family Math Activity

- Write a number sequence and leave out one number. Have your child find the missing number.
- Practice using ordinal numbers during daily activities. (We are third in line at the store.)

## Literature

These books link to the math in this unit. We can look for them at the library.

- **One Wheel Wobbles**  
by Carole Lexa Schaefer  
Illustrated by Pierr Morgan  
(Candlewick Press, 2003)
- **Feast for 10**  
by Cathryn Falwell
- **1, 2, 3 To the Zoo**  
by Eric Carle
