

Math at Home

Dear Family,

My class is starting Unit 7, **Numbers 10–19**. I will be learning how to count, read, and write the numbers through 19. I will also be learning how to name and order numbers through 19. You can help me learn these vocabulary words, and we can do the Math Activity together.

From,

Vocabulary

teen numbers Numbers between 10 and 20

11 eleven **12** twelve **13** thirteen **14** fourteen **15** fifteen

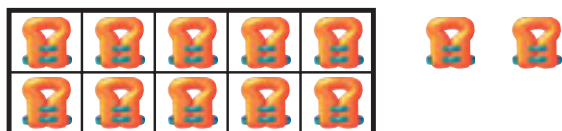

16 sixteen **17** seventeen **18** eighteen **19** nineteen

ten frame A chart to show sets of ten

10

count on To start at one number and count by ones from there

10

11 12

Family Math Activity

- Give your child 13 objects. Have your child make a set of 10 and count on from 10 to find the number. Repeat with 14, 15, and 16 objects.

Literature

These books link to the math in this unit. We can look for them at the library.

- **Bears at the Beach: Counting 10 to 20** by Niki Yektai (Millbrook Press, 1996)
- **Counting Wildflowers** by Bruce McMillan
- **One Moose, Twenty Mice** by Clare Beaton
