

Make and Read a Picture Graph

CA Standards
SDAP 1.0, SDAP 1.2

Read the picture graph. Solve.

Each  stands for one child.

1. How many children read *My Dog Buzz*?

_____ children

2. How many children read *Rocket to the Moon*?

_____ children

3. Which book did most children read?

4. Which book did the fewest children read?

5. How many more children read *Rocket to the Moon* and *My Dog Buzz* than *Bedtime Joke Book*?

6. Five more children vote. Three of them read *Rocket to the Moon* and two of them read *My Dog Buzz*.

Now which book did most children read?
