1. How many team members were surveyed in all?

3. Which mascot got the most votes? How many team members did **NOT** vote for that mascot?

5. Roy says that the tiger got the fewest votes for the team's mascot. Why is he wrong?

2. How many team members voted for a bulldog or a dolphin?

4. How many people voted for a mascot with four legs?

6. Anita transferred to another school. Then four new people joined the team. These were their votes: Salim, tiger; Cleon, dolphin; Gwen, bulldog; Emmy, tiger. Now which mascot is the favorite?
