KEY NS 3.2

Solve each problem.

1. Callie had 38 stickers. She put 6 stickers on 6 pages. How many stickers were left over?

3. Kareem put 5 carrot sticks on each of 8 plates. He had 4 carrot sticks left over. How many carrot sticks does he have?

5. Josh has 2 dozen eggs. He uses 5 eggs for each extra-large loaf of his special pumpkin bread. How many loaves of bread can he bake? How many eggs will be left over?

2. Aki has 99 buttons. She wants to put them on 11 sweaters with no buttons left over. How many buttons will be on each sweater?

4. Lisa has 62 more pages to read in *Beezus and Ramona*. She plans to read 9 pages every night beginning on Monday. How many pages will she read on Sunday?

6. Brendan has 75 stamps in his collection. He puts 8 stamps on each page in his album. How many more stamps does he need to fill 10 pages with no stamps left over?
