

# Collect and Organize Data

**CA Standards**  
 SDAP 1.1, SDAP 1.0

Amelia surveyed the students in her class on their favorite kind of television program. The results are given in the tally chart below. Use the information in the chart to solve the problems.

Favorite Kind of Television Program		
Program	Tally	Number
sitcom		8
reality shows		6
news		3
sports		5
talk show		4

1. What program is most popular with students? Which is least popular?

\_\_\_\_\_
