

Runaway Squares

Draw a Picture

Draw 5 squares.

Pick a number from 1 to 4.

Draw legs on that many squares.

Try This

Write a subtraction sentence that tells about your picture.

Runaway Squares

Draw a Picture

Draw 5 squares.

Pick a number from 1 to 4.

Draw legs on that many squares.

Legs can be on 1, 2, 3, or 4 squares.

Try This

Write a subtraction sentence that tells about your picture.

Answers may be: $5 - 1 = 4$ or $5 - 2 = 3$

$5 - 3 = 2$ or $5 - 4 = 1$
