

Dog Days

Draw a Picture

Draw a picture of how many dogs they walked altogether.

Try This

Write a sentence.

Tell why Meg's brother gave Meg 2 dogs to walk on Wednesday.

Dog Days

Draw a Picture

Draw a picture of how many dogs they walked altogether.

Pictures should show 12 dogs.

Try This

Write a sentence.

Tell why Meg's brother gave Meg 2 dogs to walk on Wednesday.

Answers will vary. Meg's brother could not walk 5 dogs all by himself. He gave Meg 2 dogs to walk.
