

Brain Busters

Draw a Picture

Draw a picture of Jada solving a problem using mental math. Make sure she is jumping rope!

Try This

Write a sentence.

Explain how you added numbers $10 + 12$ using mental math.

Brain Busters

Draw a Picture

Draw a picture of Jada solving a problem using mental math. Make sure she is jumping rope!

Drawings will vary. They may show Jada jumping rope and a thought balloon.

Try This

Write a sentence.

Explain how you added numbers $10 + 12$ using mental math.

Answers will vary. (Ex. I know what $10 + 10$ is, so I just add 2 more.)
