

Afternoon Arithmetic

Draw a Picture

Show how many cups of yellow lemonade are left after 9 cups are sold.

Try This

Write a sentence.

What is one difference between addition and subtraction?

Afternoon Arithmetic

Draw a Picture

Show how many cups of yellow lemonade are left after 9 cups are sold.

Drawings will vary, but should show 3 cups left.

Try This

Write a sentence.

What is one difference between addition and subtraction?

Answers will vary. One difference between addition and subtraction is that addition puts together and subtraction takes away.
