

Down They Go!

Draw a Picture

Show 10 bowling pins. Cross out the pins that Lori knocked down.

Try This

Write a sentence.

Tell what fraction of the bowling pins Lori knocked down.

Down They Go!

Draw a Picture

Show 10 bowling pins. Cross out the pins that Lori knocked down.

Drawings will vary, but should show 10 pins with 8 crossed out.

Try This

Write a sentence.

Tell what fraction of the bowling pins Lori knocked down.

Lori knocked down $\frac{8}{10}$ or $\frac{4}{5}$ of the bowling pins.
