

Ride the Rails

Draw a Picture

Show 5 train cars. Put 2 people in each car.

Try This

Write a sentence.

Skip count by 2s. Tell how many people are on your train.

Ride the Rails

Draw a Picture

Show 5 train cars. Put 2 people in each car.

Drawings will vary but should show 5 train cars and a total of 10 people.

Try This

Write a sentence.

Skip count by 2s. Tell how many people are on your train.

There are 10 people on my train.
