**Letter to Family**

Dear Family,

I would like you and your child to look through supermarket and grocery store ads in the newspaper. I would like you to find an item that cost less than 99¢. Cut out the ad and send it to school with your child.

In school the children will work with a partner to find the difference in the cost of the two items.

Your child needs to bring this to school by \_\_\_\_\_.

Thank you for your help.
