Letter to Family

Dear Family,

I would like you and your child to look through the ads in a newspaper and find an item that costs less than \$10. Cut out the ad, circle the cost, and send it to school with your child.

In class, I will pair your child with another child and they will find the difference in the cost of the two items.

Your child needs to bring this to school by _____.
(date)

Thank you for your help.

Sincerely,
