

Name _____ Date _____

Letter to Family

Dear Family,

Please send your child to school with a solid object that has a geometric shape such as a box or a can. Be sure it is something you do not need to get back. In school I am going to put students in groups, and they will build something out of their objects. Afterward the class will look at the constructions and identify the shapes they see.

Your child needs to bring this to school by _____.
(date)

Thank you for your help.

Sincerely,
