

Name _____ Date _____

Problem Solving: Use a Table

Justin goes to the movies to see “The Magic Ring.” His dad will pick him up at the end of the movie. How long will the movie last? Use the movie schedule to help you.

Movie Schedule	
3:00 to 5:30	Dinosaur Days
4:30 to 6:00	Space Trace
2:00 to 3:30	The Magic Ring
1:00 to 3:00	Wait and See

UNDERSTAND

What do I know?

What do I need to find out?

PLAN

I will find “the Magic Ring” on the movie schedule.

Do I need to look at the times that other movies start and end? Explain.

SOLVE

I will start with the time the movie begins and count on the time until the movie ends.

LOOK BACK

Does my answer make sense? Explain.
