

Taller, Shorter, or Longer?

Have you ever seen a cow?
It's taller than a cat.
It's shorter than an elephant,
And that is that!

Moo like a cow.
Scratch like a cat.
Walk like an elephant,
Just like that!

Have you ever seen a monkey?
It's taller than a blue bird.
It's shorter than a lion.
That's what I've heard!

Swing like a monkey.
Chirp like a blue bird.
Roar like a lion,
And you'll be heard!

Have you ever seen a worm?
It's shorter than a snake.
It's longer than an ant.
Make no mistake!

Wiggle like a worm.
Slither like a snake.
Crawl like an ant.
Make no mistake!

Have you ever seen a cricket?
It's longer than a bee!
It's shorter than an alligator.
Don't you agree?

Hop like a cricket.
Buzz like a bee.
Snap like an alligator.
Snap with me!
