

How To subtract three-digit numbers

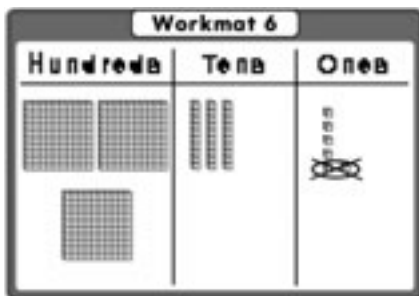

In this unit, I will be learning about adding and subtracting. This three-digit subtraction problem is an example of what I will be learning.

Subtract 336 – 172.

Step 1

Show 336.

Subtract the ones.

	H	T	O
-	3	3	6
	1	7	2
			4

Step 2

Regroup 1 hundred as 10 tens.

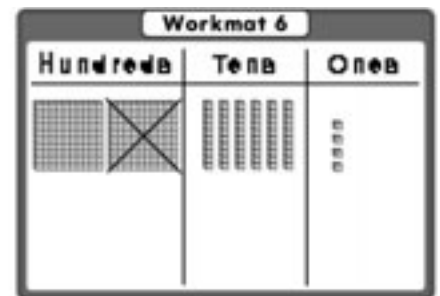

Subtract the tens.

	H	T	O
	2	13	
-	3	3	6
	1	7	2
		6	4

Step 3

Subtract the hundreds.

	H	T	O
	2	13	
-	3	3	6
	1	7	2
	1	6	4
